

HSE Location Policies & Procedures

I _____ undertake to adhere to the H.S.E. location of placement policies and procedures and not undertake any acts or procedures for which I am not trained or are outside the scope of practice unless under direct supervision of a suitably qualified Nurse / Midwife.

I will as part of my duties familiarise myself with policies and procedures in the work location to which I am assigned and I will bring to the attention of the senior on duty where I am unfamiliar with same when instructed to carry out tasks and procedures.

I further undertake to familiarise myself with all Health and Safety and Fire Drill policies and procedures in any HSE location I am assigned to.
